

## Donating Appreciated Assets (Stocks, Mutual Funds, Bonds, etc.)

A gift of appreciated securities — such as stocks, bonds, or mutual funds — is one of the most tax-efficient ways to support Tanager. By donating stock directly, rather than selling it first, you can avoid capital gains taxes, receive an income tax deduction for the full fair market value, and make an immediate difference for children and families in our community.

- Avoid capital gains taxes up to 23.8%.
- Receive a charitable income tax deduction for the full market value.
- Make a meaningful gift without affecting your cash flow.
- Capture gains and eliminate market uncertainty.
